

Copyright Form

Publication in GJAE Volume (Issue):

Title:

Authors:

With acceptance of the article(s) for publication by the publisher Deutscher Fachverlag GmbH, the author transfers to the publisher the exclusive rights of use for the duration of the statutory copyright period, especially the right of reproduction and distribution in printed form for particular issues, the right to reproduce and distribute on machine readable data carriers, and the right to store the article(s) electronically, especially in internal and external databases, the right to make it/them available to the public for individual call, reproduction on a monitor and printing by the user (as well online-use in the push and pull system), also in advance and in excerpts. The publisher can also transfer rights granted herein to third parties.
